

11th EXPOKOS

16-19 May 2012

The process of reservation at 11-th edition of International Fair "EXPOKOS 2012" is continuing.

Until now we have clear indications that this edition of EXPOKOS 2012 will mark a significant increase in number of participating companies. Based on the interest for reservation to date, we estimate that the number of exhibitors at EXPOKOS 2012 will be more than 400 companies.

Following the Government's continued investments in the construction and infrastructure, Kosovo continues to have growing needs for consumption (import) of products from construction, energy, technology and the timber industry.

There are several Important projects that will begin or are in the process of implementation in Kosovo, such as:

- Highway Prizren-Merdar
- Highway Prishtina-Peja
- Highway Prishtina-Mitrovica
- New Power Plant „ Kosova e Re“
- Modernization of Railways and Prishtina Airport
- Highway Prishtina-Skopje.

Participation in International Fair EXPOKOS 2012 will be an outstanding opportunity for your company to take advantage and benefit from the increasingly dynamic market of Kosovo and the region.
